Subject: Merry Christmas from Transport Canada

Step STC.pdf

Bill,

Transport Canada has approved the new D412-630-031/-032 Pilot/Co-pilot Folding Step that we have been working on. Although I didn't think it was necessary, Transport Canada felt the need to revise the approval because of the new configuration. See attached.

Based on the wording of the corresponding FAA STCs (SR00595NY, SR00597NY, SR00598NY), this product is now immediately approved in the US as well.

Have a good evening.

David
